Welcome

We recently circulated expressions of interest for Five Positions open and we have received interest from volunteers for all these positions, they have all been filled. We will be in touch with each of the candidates and then announcing the new team to our members shortly, watch this space for biographies on the new team.

LG Seta Group 3 Candidacy Program Completed

We have just completed our Group 3 candidacy program and successfully exited 25 designated Skills Development Professionals from the Local Government Seta, they have received their certificates, and we are very proud to announce that project three has seen our highest candidacy percentage completion.

Well done to the team at LG Seta for working so closely with the ASDSA Projects team to ensure such a successful Project 3. We are awaiting the LG Seta Project 4 to commence where we will be undertaking 60 candidates on the largest program undertaken by ASDSA to designate LG Seta Candidates professional in Skills Development.

Lastly great efforts were made by the evaluators, verifiers, certification team, mentors, administrators, accounts and the new Project team at
